Dear Brother Ransom:

In a day when churches and families depend largely on technology and screens for their Bible knowledge, I am delighted that you continue to produce and distribute the Bible in Stories! Nothing can or should take the place of daily Bible reading and prayer time in our homes and to our children. Your three – volume set is an outstanding resource for Christian families.

This set is beautifully illustrated and scripturally accurate. Character lessons are clearly taught and illustrated through the Bible stories. I am grateful to you for the diligent effort to organize these volumes for easy reference and for the care taken to ensure that the materials are applicable to all ages.

I whole-heartedly recommend the Bible in Stories three-volume set!

Because of Calvary,

Ron Comfort, Evangelist
