

Dear Glenn,

WOW!!! The artwork is INCREDIBLE! I am amazed with this body of artwork that is one of the largest on the planet and most Biblically accurate collections of artwork done by ONE man! Please tell the artist how impressed I am with his artwork. You know how much I believe in the power of visual storytelling to communicate and remember our Father's principles.

In a time like this, when so much is coming at the family, our children and grandchildren need the Bible In Stories to find answers fast. This is the best resource I have ever seen for bringing the family back to the Bible and Biblical family devotions.

It is easy to understand why the Bible In Stories is in its 3<sup>rd</sup> printing with over 17,000 customer testimonials. The Biblical accuracy of each story, high quality paper, binding, cover and engaging stories will serve families for generations.

With thought provoking review questions at the end of each story and the topical index that allows even those with no Bible knowledge to find topics fast...who could ask for more? The set is on display at my house for all my children, grandchildren and guests to see and use.

I would highly recommend that individuals and families invest in the wonderful tool!
